Scroll down to the bottom of the screen.

Fill in the form (the red asterisk '\*' means that field is required).

The screenshot shows a web browser window with the URL `sfacademy.org/academy/login/signup.php?`. The page title is "New account". Below the title, there are navigation links: "Home", "Login", and "New account". The main content area is titled "New account" and contains a section "Choose your username and password". This section has a "Username\*" field and a "Password\*" field. A note below the password field states: "The password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 upper case letter(s), at least 1 non-alphanumeric character(s) such as -, or #". There is an "Unmask" checkbox next to the password field. Below this is a section "More details" with fields for "Email address\*", "Email (again)\*", "First name\*", and "Surname\*".

Click the “Create my new account” button at the bottom.

The screenshot shows the same web browser window, but the form has progressed to the "STARFLEET Information" section. This section includes fields for "City/town", "Country" (a dropdown menu with "Select a country" selected), "SCC#\*", "Naval Rank" (a dropdown menu), and "Marine Rank" (a dropdown menu). At the bottom of this section, there are two buttons: "Create my new account" and "Cancel". The "Create my new account" button is circled in orange. Below the buttons, there is a red asterisk and the text "These are required fields in the form marked \*".

Within 24 hours, your SCC(Membership number) will be verified and your account created.
